KICK-OFF EVENT FOR BENZIE COUNTY WATER FESTIVAL

MARCH 18TH 6:00PM
AT THE GARDEN THEATER

"Waterlife is a visually stunning, spectacular, and eye-opening film."
- Noah Hall, Great Lakes Law Blog

THE STORY OF THE LAST GREAT SUPPLY OF FRESH DRINKING WATER ON EARTH

No matter where we live, the Great Lakes affect us all. And as species of fish disappear and rates of birth defects and cancer rise, it seems one thing is clear: the Great Lakes are changing and something's not quite right with the water.

WATERLIFE

an award winning documentary directed by Kevin McMahon

\$5 SUGGESTED DONATION
